

# Supplementary regulations 2020

## A. General provisions

1. The platform that will be used is the game DiRT Rally 2.0. Because it is a simulator game, and is still constantly provided with updates, it is possible that there are updates during the event, the ACtronics Achterhoek Rally has no influence on this. Therefore, it is advisable for participants to note that after updates there may be bugs during the event.
2. The management of the rally will be through the online platform of Codemasters, RaceNet - Clubs in DiRT Rally 2.0: <https://dirtrally2.dirtgame.com/clubs/club/355060>
3. Competitors from PC (STEAM), Xbox One and PlayStation 4 platforms can participate in the rally.
4. Participation on multiple platforms will result in disqualification.
5. No separate ranking will be made per platform.
6. The race director will provide updates on the state of affairs in the Virtual ACtronics Achterhoek Rally 2020. If he is unable to do this, a replacement will be appointed.
7. If matters arise that are not described in the above, the Director will make a judgment.
8. Unlicensed participants will join the SIM (B) ranking. Participants with a Rally or Navigator license will join the PRIO (C) rankings. The prizes will differ per classification.
9. The Club settings are as follows:
  - **Helps:** *prohibited*
  - **Service:** *At the discretion of the race director*
  - **Cameras:** *all available*
  - **Stage conditions:** *At the discretion of the race director*
  - **Damage:** *hardcore*
  - **Unexpected moments:** *off*
